25<sup>th</sup> April 2017

Dear Parents

Sports Day this year will take place on **Tuesday 6<sup>th</sup> June** and will incorporate the non-competitive sporting activities during the morning session with the traditional competitive races during the afternoon. Our reserve date is Tuesday 13th June.

The day will start at around 10.40am (after the morning break) when the children will move around the different activity stations set out on the field and playground. They will have a named house point card that they take with them to the different stations where they will receive a tally mark for each activity they take part in. The aim is to visit as many activities as they can in order to collect points for their house point team. Children can revisit activity stations as many times as they wish within the time but if they manage to go around each activity at least once they will earn bonus points for their team and certificates will be awarded to the two children in each class who collect the most points for the morning activities. We would like parents to come to the whole event if possible – especially for the younger ones and accompany their child/ren around the activity stations.

The morning session will end at 11.45am when there will be a picnic lunch on the field. If your child requires a school dinner the school kitchen will be preparing picnic lunches only on this day at the usual cost of a school dinner (£2.15). Alternatively you may bring a picnic to share with your child or supply your child with a packed lunch on the day. Please indicate on the reply slip if you wish the school kitchen to provide a packed lunch for your child.

If you are having lunch with your child please be aware that you are responsible for your child's behaviour and we do expect them to behave appropriately in the school environment. The timber trail will be out of bounds for health and safety reasons. Please do not allow your child/ren to play on the running track as it will be set up for the start of the afternoon.

When the bell rings at 12.50pm the children need to go back to their classroom to be registered. The afternoon races will then start at 1.00pm and all children must sit with their classes. Parents should sit on the opposite side of the track (hedge side). Please do not sit on the edge of the track.

## HELP NEEDED

For the morning activities I do need help manning the activity stations. If you are able to help with this please complete and return the attached slip to me and I will send out further details to you.

Thank you.

Yours sincerely

Mrs M Cooke  
PE & Sports Co-ordinator
