

## Preston Candover School Association Christmas Tree Sale

The PCSA is pleased to be able to offer you the opportunity of buying your Christmas Tree from us this year! We know it's early, but you can never be too organised!

Trees are supplied from Woodman Trees, a highly regarded Hampshire company known for producing high quality, premium grade trees. They are members of The British Christmas Tree Growers Association and follow their code of practice, so that trees are grown to the best environmental and sustainable practice. They harvest around 70,000 trees per year, re-planting around 85,000 trees per year. Trees are grown on a 10 year cycle and are grown locally in sustainable plantations in Hampshire and harvested mid-end November for the Christmas season. We are only offering Premium Grade Nordmann Fir Trees. There are 3 grades of Nordmann Fir. Premium Grade are graded as the best trees and those that have the most evenly distributed branches, needles, shape and colour.

The wholesale prices from Woodmann Trees enables us to charge considerably less than usual outlets, whilst also raising funds for the school. The trees are available in the following sizes:
