

Welcome to Preston Candover CE Primary School

'Inspiring learning for life'

Preston Candover is a forward thinking school with excellent facilities.

We aspire for all of our children to be happy, caring individuals with a love of learning. Our pupils achieve excellent outcomes, well above national and local authority attainment, within a nurturing environment. We are also delighted to have achieved an Outstanding SIAMS inspection grade and report in 2018

The journey

- Children come to Preston Candover from a variety of local preschools and nurseries including the privately run Candover Valley Preschool located on our school site.
- At the end of year 6 children move onto excellent state secondary schools with many attending Perins school in Alresford. Some children also move into private education at this time. Feedback from secondary schools tells us that children from Preston Candover are well rounded and take with them a positive attitude to learning and excellent achievements.
- This journey leads many former pupils to attend some of the best sixth form colleges in the country including Peter Symonds in Winchester.
