

Preston Candover CE Primary School

Pupil Premium Strategy Statement 2019 - 2020

At Preston Candover C E Primary School, we adhere to the seven 'building blocks' which form our strategy to improve outcomes for our disadvantaged pupils:

- **Whole-school ethos of attainment for all**
There is an expectation that all pupils should achieve high levels of attainment. There is an ethos that all disadvantaged pupils can overcome their personal barriers to succeed.
- **Addressing behaviour and attendance**
The school responds rapidly to ensure behaviour management strategies are effective for pupils that need support. Attendance is monitored. Strategies, where applicable, are implemented to improve absence or lateness to maximise opportunities for learning in school.
- **High quality teaching for all**
The school places a strong emphasis on ensuring all disadvantaged pupils receive high quality teaching; responsive on-going formative assessment is essential to ensure disadvantaged pupils make strong progress.
- **Meeting individual learning needs**
Personalised profiles are to ensure barriers are overcome so that disadvantaged pupils can benefit from enrichment, emotional well-being support and interventions that enable them to succeed in their learning across a wide range of subjects.
- **Deploying staff effectively**
Both teachers and support staff are deployed flexibly in response to the changing learning needs of disadvantaged pupils.
- **Data-driven and responding to evidence**
The progress of disadvantaged pupils is discussed at all pupil progress meetings and at key assessment milestones. Actions are identified, implemented and regularly reviewed through our class Provision Maps within each assessment phase.
- **Clear, responsive leadership**
The inclusion leader reviews the effectiveness of strategies with the headteacher and governors at the end of each assessment phase. English and mathematic leaders are directly involved in monitoring activities designed to secure good progress.

B.	Under developed social skills, ability to make relationships, resilience and maintaining friendships.
C.	Some PP pupils may have lower literacy skills and have less exposure to a wide range of literature, than their peers which can impact on their comprehension and mathematical problem-solving skills. Some PP pupils achieve highly and need to be challenged further to meet their potential.

External barriers (*issues which also require action outside school, such as low attendance rates*)

D.	Attendance for all PP to be maintained at 96% or above academic year 2019 -20 which will impact on their learning.
E.	Access to extra- curricular, and enriched education activities and experiences including trips, music lessons, sports activities, visits and residential experiences.
