Dear Parents,

We are currently awaiting further detail on the announcement made yesterday by the government regarding school closures. Please bear with us at this time as we are also managing staff shortages in our school. We currently have three teachers and three support staff unable to work due to health conditions and isolation.

We do not have the capacity to set individual work for pupils at this time but you may find the websites listed below useful if you have children currently at home.

Our teachers are currently planning home learning activities that will be added to the school website for the next two weeks.

## **BBC Bitesize Primary.**

Subjects across the curriculum for KS1 and KS2

**Love Hope Justice**

Whilst trying to remain open, we also have a duty to follow the latest advice provided by the DFE and Public Health England so that staff remain safe and well. We will do what we can to support the wider community. When we know more, we will finalise our plans and communicate this with you.

With best wishes

Mrs Simrit Otway  
Headteacher
