

Story Wings

This is a bespoke reading project created by the 7AS schools to encourage reading for pleasure.

Reception and Year 1

Children in Reception and Year 1 need to read/share **12 books** in addition to their school reading scheme in order to achieve their Story Wings badge.

Remember your child needs to record a book review/activity in their reading record when they have completed their book.

We have a wide selection of books and genre displays in our school library for your children to choose from. They may also read/ share books from home or the public library.

Every child will need to read/share 3 books from each section to achieve a badge.

Section 1	Section 2	Section 3	Section 4
Fiction	Non-fiction	Traditional tales	Poetry and rhyme

Year 2 and KS2

Children in Year 2 and Key Stage 2 need to read **7 books** in addition to their school reading scheme in order to achieve their Story Wings badge. This may not seem a lot but these books must be appropriate to their year group.

Every child will need to read 2 books from each section from a variety of genres, plus one other book of their own choice to receive a badge.

Section 1	Section 2	Section 3
Historical fiction	Mystery	Adventure
Humorous	Non-fiction	Biography/autobiography
Fantasy	A classic	Poetry
Sports novel	Sci-fi	Myths and legends

Your child should use the table inside their reading records to write down their Story Wings books. Remember your child needs to record their reviews and thoughts using the activities in the reading record books.
