

Our Vision and Values

Vision

At Preston Candover CE Primary, our vision is based on the belief that all children can succeed and that it is our duty to *inspire learning for life*. We believe that by teaching children to *Encourage each other and build each other up* (1 Thessalonians 5:11), we can ensure all in our school community flourish and live the best lives they can for themselves and for others.

Values

A value is a principle that guides our thinking, behaviour and actions. At our school, we have three core values that are firmly rooted in Christian narrative: *Love, Hope and Justice*. The children, staff, parents and governors of our school have chosen these values. They are at the foundation of how we shape the attitudes of our children to learning and to life in the wider community.

We live our core values, cultivating character in our children, through the teaching of virtues. These virtues link to one of the core values in the following way:

Core Christian Values		
Love	Hope	Justice
Virtues		
Compassion Friendship Thankfulness Respect Generosity	Trust Service Perseverance Joy Patience	Peace Courage Forgiveness Truthfulness Humility

At our school, our values and virtues underpin all that we do. This is demonstrated through:

- Consistent classroom and shared area displays of values
- Value-focussed collective worship
- Weekly Values Awards
- School newsletters
- Our School Prayer

Our School Prayer:

Preston Candover CE Primary School
Values prayer

Dear Lord,

This is our school,
May our classrooms be filled with love,
Respecting one another,
May we find the courage to act justly,
And grow in resilience,
May we build great hope and aspiration,
For our future,
And the future of this wonderful world which you have entrusted into
our care.
Let us remember that together we can make a positive difference.

Amen

Love

Love in our school describes how we are one school family, where each individual is encouraged to love and respect themselves, others, our world and God.

Love is thinking about others before yourself.

Love is the key value that Christianity is built upon. It lies at the heart of all the other values. Whilst love is important in almost every culture and religion, Christians recognise that God the Father is love and that love comes from God (1 John 4:7). The Bible tells us that God loved us first. We are able to love in the true sense of the world because God loves us and when we show His Love, God lives in us.

Scripture

We see love shown in the Christian narrative in many ways.

Christians believe that Jesus' death and resurrection were all because God loved us and wanted us to be made right with Him again. This was the ultimate expression of love.

Almost every Christian story has at the heart of it the love of God.

When the apostle Paul wrote to the church at Corinth, he instructed them to "Let all that you do be done in love" (1 Corinthians 13:4-8)

When Jesus speaks to the Pharisees (Matthew 22:38), he reminds them "“Love the Lord your God with all your heart and with all your soul and with all your mind. 'This is the first and greatest commandment. And the second is like it: 'Love your neighbour as yourself.' All the Law and the Prophets hang on these two commandments.”"

Jesus also tells his disciples (John 15:12) 'My command is this: Love each other as I have loved you'.

How do we demonstrate the value of love?

For us at Preston Candover CE Primary, we promote an ethos of care and concern which embraces all members of the school community at Preston Candover and beyond.

We demonstrate love through the offer of entitlement, which we make to all children to support their educational, emotional, social, moral, cultural and spiritual development. Our commitment to this is demonstrated through our provision of a broad and balanced curriculum and the support of all the children's emotional needs.

- We are inclusive and welcome everyone
- We provide a safe and nurturing environment
- We support all learners, academically and otherwise
- Our worship themes and liturgy demonstrate God's love
- We show kindness, empathy and **compassion** to others
- We encourage children to identify 'love' through their actions
- We care about our neighbours and our world
- We show **thankfulness** to those who help us
- We recognise and celebrate individuality and diversity
- We model actions that create a loving community
- We encourage healthy relationships and **friendships**
- We promote positive interactions
- We listen to each other and show **respect**
- Our relationships are loving and supportive
- We model respect and care for one another
- We value and appreciate each other
- We are patient with each other
- We show **generosity** towards each other
- We do the right thing, even when it is difficult
- We seek to understand children's behaviours and needs

Hope

Hope describes how we believe the world can be a better place and we can do something positive to make a difference.

Hope is about developing resilience in our character, aspiration for our future and trusting in God.

At Preston Candover CE Primary, we believe that hope generates energy and sustains people through difficult times. We believe that encouraging hope inspires self-sacrifice and can turn dreams into reality; it gives us confidence that there is always a future whatever situation we are in because God promised to never leave us, to always love us, and to help us in times of need.

Scripture

The Christian understanding of hope is much deeper than our everyday use of the word can be. Christian hope is grounded in the character of God and His love for us. Hope is seen as an essential component of spiritual growth and well-being.

Hope is demonstrated in the Christian Narrative in many different ways. Often, in the Psalms, the writer says to God: 'My hope is in you'. It is a hope rooted in the love and faithfulness of God. Hope is not wishful thinking but a firm assurance that God can be relied upon, that God has a specific plan and purpose for each of our lives and that His plans are always good and full of hope. It encourages us to trust in God and His love, even when we may not understand what is happening in our lives. Hope is not always spontaneous or easy.

The resurrection of Jesus gives us hope for eternal life and the rainbow after the flood is a sign that God will never break his covenant of love with us.

As well as trusting God, we have to develop qualities of steadfastness in our own character. Paul says: 'We know that suffering produces perseverance; perseverance, character; and character, hope.' (Romans 5:3-4).

How do we demonstrate the value of hope?

At Preston Candover CE Primary, we develop our value of hope through supporting children in a nurturing environment, empowering them to give their best and develop resilience. The adults and children in school are encouraged to try their best in all that they do. We encourage children to be hopeful, to think positively and we work hard to bring hope to the children whose lives are difficult at the moment. Provision of an inspiring curriculum, collective worship, church service participation, leadership roles and community involvement offer the children a sense of hope and purpose.

- We encourage pupils to work hard to achieve their goals
- We provide inspiration and aspiration
- We develop crucial skills of resilience and **patience**
- We teach the importance of **perseverance**
- We embrace mistakes, knowing we can learn from them
- We are compassionate and support each other
- We establish a culture of **trust** and responsibility
- We use leadership roles to support pupil's personal development
- We facilitate opportunities for children to complete acts of **service**
- We celebrate pupil achievement and encourage a sense of **joy** following success
- We prepare children for the next stage in their life

Justice

Justice in our school describes how we take responsibility for ourselves, one another and do what is right.

Justice is about being fair and making wise decisions even when it is difficult.

When thinking about 'justice', some people think first about giving wrongdoers the punishment they deserve. Justice is not about a culture which encourages everyone to insist on their own rights at the expense of others. It is about a community that knows that everyone's well-being is bound up with that of everyone else.

Justice is also about acting out of a concern for what is right and seeing right prevail. It is about social justice, especially for those who suffer most and are least able to protect themselves. It means giving all people what is right and fair for them to have: life, health, freedom and dignity.

Scripture

Throughout the Bible, it is emphasised that justice is immensely important to God. It is fundamental to God's character. 'For the LORD is righteous, he loves justice; upright men will see his face.' (Psalm 11:7)

In Exodus, the people are instructed to treat everyone fairly and to do what is right and just (Exodus 23:2). The bible emphasises that 'The righteous care about justice for the poor (Proverbs 29:7). Isaiah says 'Seek justice, encourage the oppressed' (Isaiah 1:17)

How do we demonstrate the value of justice?

At Preston Candover, we teach children the importance of fairness. We also teach them about injustice; racism and discrimination and how they have been overcome. We expect children and adults to be fair to one another.

We inspire children with stories of inspirational people like Martin Luther King and Gandhi who worked for justice. We encourage the children to try and make the world a fairer place for everybody through supporting things like Fairtrade and social justice.
