Dear Parents/Carers

## Robins Trip to The Living Rainforest

As part of our learning in geography and science lessons next half-term, we are planning to visit The Living Rainforest in Berkshire on **Friday 18<sup>th</sup> March**. This trip will provide a fantastic opportunity for pupils to develop their understanding about the different layers in the rainforest and how plants and animals have adapted to suit living in a rainforest environment. Furthermore, as part of the trip, the children will experience a guided tour where they will be able to ask questions about this fascinating biome before being allowed to explore the indoor rainforest in supervised groups.

We are aiming to leave school at 9am so please ensure that pupils are in the classroom by **8.45am**. We are aiming to be back at school by the end of the school day, however in case of any delays, please make arrangements to collect your child.

For the trip, the children will need to bring a raincoat in case of wet weather and trainers, as there may be some muddy areas at the venue. We ask that all children are wearing school uniform so that they are easily identifiable. As well as this, please provide your child with a healthy packed lunch and a drink for the day. Please note that the glasshouses are hot and humid so I would recommend packing an additional bottle of water.

We are asking for a contribution of £25.00 to cover the costs incurred with running this trip. However, should there be insufficient voluntary contributions we may need to cancel or postpone the trip. Please complete the slip below and return it to school by **MONDAY 14<sup>TH</sup> FEBRUARY**.

If you have any queries or concerns about the visit, please do not hesitate to contact me via the school office or at the gates at the end of the day.

Yours sincerely

Mrs Hulme  
Assistant Headteacher
