Dear Parents,

As part of our topic on Animals and our Big Enquiry Question- 'How do zoos help protect animals?', we are planning to take Wrens class to Marwell Zoo on Monday 4th July. The children will have the opportunity to closely observe the animals they have been learning about and reinforce their learning of their individual characteristics, their habitats, the reasons why certain animals have become endangered and how Marwell Zoo helps to protect the animals, especially endangered species.

The children will be required to wear school uniform, sensible walking shoes, sun hat and an appropriate coat. If you would like your child to be provided with a packed lunch, please indicate on the reply slip below. Alternatively, please provide your child with a packed lunch, no fizzy drinks please. We are a nut free school, so no nut products please. Sun cream will need to be applied to your child before school too please.

The children will be responsible for carrying their own things around the zoo with them so can you ensure that all their belongings are in one small backpack please.

We unfortunately won't have time to visit the shop so the children will not need any money to spend.

On school trips like this, we cannot guarantee that we will be back in time for the buses at the end of the day, so we ask if you would make arrangements for your child to be collected from school. We always aim to be back in time for the end of the school day, but we are relying on traffic.

We are asking for a contribution of £22.00 towards the cost of the coach and entry into the zoo, this has been set up on your child's Sco-pay account. Please fill in the slip below, giving permission for your child to take part in our visit and if you have any questions regarding the Marwell trip, please contact the School Office.

Many thanks for your continued support

Yours sincerely

Mrs Defferding & Mrs Cooke  
Wrens Class Teachers
