4<sup>th</sup> January 2023

Dear Parents,

I have arranged a class trip to the Intech Winchester Science Centre and Planetarium. This is to enrich our Science topic “Earth and Space.”

The trip will take place on **Wednesday 1<sup>st</sup> February 2023**. Children will need to arrive at school at the normal time, wearing school uniform, including a coat. The coach may not arrive back at school before 3.00pm so if your child usually travels home on the school bus please make alternative arrangements on this day.

Children will need to bring a packed lunch and a water bottle. No **nuts** as we have allergies to these in this class, sweets, chocolate, or fizzy drinks please.

We are asking for a voluntary amount of £21.00 per child, which includes travel, workshop, the planetarium cinema and time to look around exhibits in the Science Centre.

We are really looking forward to this visit, to explore and learn more about space.

Please complete the slip below and return to school by **Monday 16<sup>th</sup> January 2023**.

Many thanks,

Mrs Meier  
Kingfisher Class Teacher
