SPORTS WEEK W/C MONDAY 19TH JUNE

Dear Parents

It will be Hampshire School Games Week this year from Monday 19th June to Friday 23rd June. This means that in Hampshire and the Isle of Wight every Infant, Junior and Primary School are invited to sign up to a week of activity, which provides a chance for schools to celebrate all aspects of PE, School Sport and Physical Activity. Each day will focus on a different theme with the themes this year being:-

Monday – Leadership

Tuesday – Physical activity

Wednesday – Health and Wellbeing

Thursday – Competition

Friday – Physical Activity

Throughout the week, the children will be involved in different activities in their class each day to join in with and celebrate this week of sport and to earn points for their house point teams. The results will be tallied up throughout the week and the house point cup awarded during a whole school assembly the following week to the team which has collected the most points.

As part of this week, all children take part in our school sports day on **Tuesday 20th June**.

This year our sports day will take place in our key stages, with KS1 joining together for some fun races - sprint, egg and spoon and a mini obstacle race.

Following consultation with children in planning sports day, the Robins and Kingfishers will be taking part in an in-house Quad Kids event, where the children will rotate around four different event stations – the sprint, javelin, standing long jump and shot putt. The children in each key stage will be involved in the leadership of the events, demonstrating the Leadership qualities we have been focussing on through Leader in Me.

In all events, KS1 and KS2 points will be awarded for 1st, 2nd and 3rd places, which will all count towards the whole week's challenge. The event for KS1 will be from 9.45am to 10.15 am and KS2 from 10.20am to 10.50am.

Love Hope Justice

Parents are very welcome to come and watch the session that their children are involved in and we very much hope that you enjoy the opportunity to come and support our sports event. You may also take pictures of your own children in their races on the day, but these are for personal use only - please do not share them on any social media sites.

As a reminder- please can the children have their correct school PE kit in school **every day**.

We very much look forward to welcoming you to celebrate the children's efforts and celebrate part of the school games week.

Yours sincerely

Mrs M Cooke
PE Lead
