

Emblem design

Name:

Emblem design

In school we discussed how this emblem design was inspired by The King's love of the natural world, unifying the flora of the four nations of the United Kingdom

Together, the flowers create the shape of St Edward's Crown, with which His Majesty The King was crowned during his Coronation Service.

The emblem has also been designed using the union flag's red, white, and blue.

Thinking about your design

- What would you like to include on your emblem design?
- What message do you want people to take away when looking at your emblem?
- Include a symbol of hope for the future. Perhaps a vision for the planet, for others or for yourself.
