

Inter-generational Planting Day in creation of the Memorial Woodland for Lord Sainsbury Preston Candover

On Friday November 2024 between 10:00 and 12:15
Commencement of planting 5,000 trees

Dear Parents,

Following the planting of the memorial oak tree on January 14, 2023, the wildflower meadows have been sown, the wildlife pond has been dug and we are now ready to plant trees!

Led by an expert team from the Woodland Trust, children from the Preston Candover CE Primary School and the Preston Candover Valley Pre-School and anyone from the wider community who wishes to can participate in planting trees.

The day is intended to be a intergenerational family event, sharing traditions, passing-on and honouring precious skills and enjoying a community activity to help create Preston Candover's memorial woodland.

So do sign up with the School to be part of the creation of the new woodland and participate with your children or grandchildren, or your neighbours and friends and fellow members of the community to plant trees together. We hope to see you on Friday November 24.

The Village Hall will be open from 08:00 and refreshments will be available.

With our best wishes,

Anya Lady Sainsbury, Sarah, Julian and Mark Sainsbury

Preston Candover Valley Pre-School - Planting acorns (in the Village Hall)

08:30 - 09:30

Preston Candover CE Primary School - Planting trees

From 10:00am - the School will provide timings for each class.

Other members of the community, young and old, are welcome to join from 13:00 - 14:30.
