Newsletter No. 14 – 6th June 2025

Dear Parents and carers,

It is a super busy few weeks ahead. There will be plenty of enrichment, trips, and exhibitions for the children and with so much happening we hope you can keep up!

NSPCC Speak out. Stay safe.

A reminder that the school is participating in NSPCC's Speak out. Stay safe. programme and over the next fortnight will be running workshops. The NSPCC are providing their volunteers and resources free of charge to the school

however we are asking for a voluntary donation of any amount from parents to help support the work of NSPCC and Childline. Please send into school in a sealed, named envelope and the amount raised will be donated to the NSPCC.

Reminders from the Office...

Emails

Please do not send homework to the school's admin email. Our admin email is not continuously monitored throughout the day and high numbers of these emails can result in important messages being missed. We aim to respond to emails within 2 working days, we ask that parents await a response from the school and that further emails are not sent pending that response, unless the new deadline has passed.

If a query or concern is time sensitive and urgent the parent should call the school office. If the query or concern is not time sensitive and urgent then parents should email or call the school office and the relevant member of staff will aim to contact them within three working days.

Whole School and Class Photos

Next Wednesday 18th June we will be taking whole school and class photos. Please make sure that your children are coming to school with their full uniform neatly presented. Please see attached a reminder from Imago on viewing and ordering.

Stubbington Payments Year 4 & 5

A reminder to parents of Year 4 & 5 that there are now 2 instalments of the Stubbington residential payment now due. Please make these payments as soon as possible to prevent delays. The third instalment will be due July 1st.
